PERSONAL STATEMENT

I'm a 37 years old Cybersecurity analyst and Network engineer from Bratislava (Slovakia) currently based in Eindhoven area, Netherlands. I love everything that has to do with Security, Networking, Communication, Data protection, Intrusion Detection/Prevention and I feel a true devotion for Ethical Hacking. I have 8 years of experience working as a cybersecurity analyst and network administrator, but I'm ready for visiting other countries & work for any progressive and growing company! I love working with people, specially if they have the same passion I have for what they do.
